Original English-language manga, or OEL manga, is the term commonly used to describe comic books or graphic novels in the international manga genre whose language of original publication is English. The term international manga, as used by the Japanese Ministry of Literature, is also an original publication. Wikipedia. Original Publications. Book Chapters and Didactic Materials. People. Original publications in peer-reviewed journals. 2019. Neuro-computational Impact of Physical Training Overload on Economic Decision-Making [DOI, PDF]. Alibaba.com offers 2,046 original publications products. About 5% of these are painting & calligraphy, 4% are advertising players, and 1% are waste bins. A wide variety of original publications options are available to you, such as metal, plastic, and pp.
