Liberty Enlightening the World (French: La liberté éclairant le monde), commonly known as the Statue of Liberty (French: Statue de la Liberté) is a monument located in New York. The Statue of Liberty was presented to the United States by the people of France in 1886. Standing on Liberty Island in New York Harbor, it welcomes visitors, immigrants, and returning Americans traveling by ship. The copper-clad statue, dedicated on 28 October 1886, commemorates the centennial of the signing of the United Symbol of Liberty, the statue was also widely criticized by the three communities, or at least three sets of people who found fault. Women's rights. American society in the nineteenth century is quite open on women's rights, but that they have not yet voting pushed them to act that day to advance the discussions. But on the symbol of Liberty represented by a woman, each had its own interpretation: Some saw a typically European conservatism that belittled women, the other on the contrary noted that now it is a woman who symbolizes liberty and c’was to give them a very great honor. The right black. When Edouard de Laboulaye suggested building a statue in honor of liberty, slavery was still not abolished in the United States, it was in the year (1865).
For the Statue of Liberty's centennial year, Harris has written an excellent and entertaining history of the construction and renovation of the colossal statue. The description of the efforts of Bartholdi and the several fund-raising committees involved with the birth of the Lady is interestingly paralleled by the description of the current efforts to finance the renovation. The chapters on the renovation are enhanced by the comments of the workmen performing the labor. It is intended for a slightly older audience than Burchard's The Statue of Liberty: Birth and Rebirth (HBJ, 1985) or Fisher's The Statue of Liberty (Holiday, 1985). It's worth having, both for its timeliness and for its own quality. Elaine Fort Weischedel, Turner Free Library, Randolph, Mass. The Statue of Liberty (Liberty Enlightening the World; French: La Liberté éclairant le monde) is a colossal neoclassical sculpture on Liberty Island in New York Harbor in New York, in the United States. The copper statue, a gift from the people of France to the people of the United States, was designed by French sculptor Frédéric Auguste Bartholdi and its metal framework was built by Gustave Eiffel. The statue was dedicated on October 28, 1886. Traces the history of the Statue of Liberty from its conception to its centennial with emphasis on the statue's restoration, its significance through the years, and the plans for the 1986 centennial celebration.
