The Bible is meant to be read, understood, and shared. So your translation of God’s Word should be true-to-the-original and one you like to read. The Christian Standard Bible captures the Bible’s original meaning without compromising clarity. An optimal blend of accuracy and readability, the CSB helps readers make a deeper connection with God’s Word and inspire lifelong discipleship. The CSB is for everyone—for readers young and old, new and seasoned. It’s a Bible pastor can preach from and a Bible you can share with your neighbor hearing God’s Word for the very first time. You’ll find the CSB to be highly trustworthy and deeply satisfying.

The Amplified Bible is a Literal Equivalent translation that, by using synonyms and definitions, both explains and expands the meaning of words in the text by placing amplification in parentheses, brackets, and after key words. This unique system of translation allows the reader to more completely and clearly grasp the meaning as it was understood in the original languages. Additionally, amplifications may provide further theological, historical, and other details for a better understanding of the text. Publisher.
